Summary

Front-End developer with 2+ Years of Experience passionate about crafting intuitive, high-performance web applications with modern technologies. Proficient in React, TypeScript, and JavaScript (ES6+), with hands-on experience building scalable, responsive UIs and integrating RESTful APIs. Adept at translating design wireframes into clean, maintainable code while prioritizing accessibility and cross-browser compatibility.

Technical Skills

- HTML | CSS | SCSS | JavaScript | TypeScript | React | Vue | Axios | Jotai | Redux | Context Api | React Query | I18n | Tailwind CSS | Bootstrap
- Flowbite | Shadcn/ui | Radix UI | Agile | GitHub | Git

Soft Skills

- Communication Skills | Team Work | Analytical thinking | Problem Solving | Attention to detail | Debugging and troubleshooting
- Ability to learn new technologies quickly | Time management

Experience

Junior Front-End Developer

[Algoriza](#)

Remote 12/2023 - Current

- **Project 1: [ThePass](#)** is a platform that effortlessly find the best applicants with cutting-edge tests and AI-driven interviews.
 - Developed core UI components and functionality for the platform.
 - Integrated AI-powered interview features with speech-to-text and sentiment analysis to automate candidate evaluation.**Skills: React | Flowbite | Axios | Context Api | Tailwind CSS**
- **Project 2: [FutureX](#)** is an AI based platform affiliated with [Nelc](#) designed to help users generate educational content.
 - Architected and implemented the base frontend structure using React, TypeScript and React Query.
 - Developed scalable, user-focused front-end solutions by collaborating with design teams and optimizing performance.**Skills: React | TypeScript | React Query | I18n | Shadcn/ui | Axios | Jotai | Tailwind CSS**
- **Project 3: [Monshaat](#)** streamlines operations, finances, and workflow automation for small and medium businesses.
 - Bug resolution and system optimization, addressing critical frontend issues (e.g., state management leaks, UI inconsistencies)
 - Developed and deployed core features, collaborating with backend teams to ensure seamless integration.**Skills: React | Yup | Axios | Redux Toolkit | React Hook Form | Context Api | Tailwind CSS**

Front-End Developer intern

[Algoriza](#)

Remote 10/2023 - 12/2023

- Developed responsive and user-friendly web applications during my internship using HTML, CSS, JavaScript, and Vue.js, with Axios for seamless API integrations.
- Leveraged Tailwind CSS to streamline styling workflows and deliver pixel-perfect designs, while adhering to best practices for code maintainability and cross-browser compatibility.

Certificates

- [Web Development Challenger Track](#) : Completed a scholarship powered by itida and Udacity in web development
- [Advanced React](#) : Completed Manara course on React js topics and passed the final exam

Languages

- **Arabic**: Native or Bilingual Proficiency
- **English** : Professional Working Proficiency

Education

Bachelor Degree	Assiut University	Egypt	08/2017 - 07/2021
The Complete Web Developer	Zero To Mastery Academy	Remote	01/2023 - 03/2023

Interests

- Chess | Video Games | Table Tennis | Mountain Climbing | Going To The Gym
